

Joan Krueger is a First Vice President at NAI Horizon. She proudly works primarily in the vibrant Southeast Valley by focusing on office, retail, light industrial, and land asset classes. But, Joan relishes the opportunity to serve her clients anywhere they need within the state of Arizona.

Joan joined NAI Horizon after four years at Bliss Realty and Investments. Before that, she worked with RE/MAX Commercial and JHA Properties. Before entering Commercial Real Estate, Joan worked in the technology sector in international business development for more than 30 years. In addition, she gained a wealth of experience during four years on the Gilbert Town Council, including a year as Vice Mayor; and six years with the Gilbert Planning Commission. These experiences taught her about entitlements, one of her biggest passions, and residential and commercial development requirements and processes.

A native of Wisconsin, Joan earned a Bachelor of Arts in English from Arizona State University. She also attended the University of Wisconsin-Eau Claire. As a resident of Gilbert, Arizona, Joan has served as a member of the Gilbert Sister Cities Board of Directors and Fresh Start Women's Resource Center EV/Positive Paths Board of Directors. In addition, she served as Chair of the Dignity Health East Valley Foundation Board, the First United Methodist Church of Gilbert Trustees Board, the Gilbert Historical Society Board, and the Gilbert Chamber of Commerce Board of Directors. She currently serves as the Mesa Chamber of Commerce Government Affairs Committee Chair.
